

Number of Applications Received

The DHMH PHPA Office of Primary Care Access communicates the number of Conrad 30 slots on its' website to keep potential applicants, their attorneys, and their hiring organizations informed. Primary care includes family practice, internal medicine, pediatrics, geriatrics, OB/Gyn and psychiatry. Non flex primary care applications will be accepted and processed beginning on October 1; flex primary care and flex/non-flex specialists will be accepted and processed beginning on December 1 on a 1st come, 1st serve basis. This information will be updated weekly until all 30 slots are filled. Non-flex slots are for those applicants that choose to practice in a HPSA or MUA. Flex slots are for those applicants that choose to practice in settings serving the under-served whose address may not be in a HPSA or MUA. The State of Maryland designates 20 non-flex slots and 10 flex slots.
